Cancellation of Licences by CERC

1854. SHRI TARIQ ANWAR: Will the Minister of POWER be pleased to state:

(a) whether it is a fact that Central Electricity Regulatory Commission (CERC) has threatened to cancel the licences of several important companies;

(b) if so, the reasons therefor, and

(c) the names and number of such companies?

THE MINISTER OF POWER (SHRI P.M. SAYEED): (a) to (c) As per the CERC (Procedure, Terms & Conditions for grant of Trading Licence and other related matters) Regulations, 2004 the trading licenses are required to furnish information in specified form to the Commission on quarterly basis, a copy of which is also to be furnished to the Regional Load Despatch Centre (RLDC) and Regional electricity Board (REB) or the Regional Power Committee (RPC), as the case may be. The licensees are also required to post the said information on their web sites.

It was brought to the notice of the Commission that the licensees were not complying with the requirement of submission of information to the REB/RPC and RLDC, and posting of report on the web sites. The Central Commission, therefore, issued orders directing the licensees to comply with the requirement of the Regulation. The licensees have since submitted the compliance report to the Commission.

The list of inter-State trading licensees which were issued such directions is at Statement.

Statement

List of inter-state trading licence in electricity who were given directions by the CERC

Providing Naphtha at reasonable rate to Kerala power stations

1855. SHRI A. VIJAYARAGHAVAN: Will the Minister of POWER be pleased to state:

(a) whether there are five power stations in Kerala that are depending on Naphtha (Liquid fuel) for generation of electricity;

(b) if so, whether the cost of Naphtha supplied for power generation will be considerably high from July, 2005 onwards;

(c) if so, whether steps will be taken to provide Naphtha at affordable administered rate till LNG is made available for power generation;

(d) if so, the details thereof; and

(e) if not, the reason therefor?

THE MINISTER OF POWER (SHRI P.M. SAYEED): (a) There are two thermal power stations in Kerala State which use naphtha as fuel. These are:
